ABOUT ME

- Full-stack developer passionate about building technology that is fun and meaningful
- Six years' experience in Australia & Japan in consulting and sales, including thousands of interviews and negotiations. Style emphasises driving successful long-term relationships based on trust.
- Accustomed to high-pressure, fast-paced working environments and communicating with people from a variety of backgrounds.
- Endlessly fascinated by tech and understanding how things work, but balanced with passion for art, reading, and creative expression.
- Other hobbies: Bitcoin, trading, chess, art, food, e-sports.

SKILLS

Programming Languages

- Ruby, Javascript, Python, HTML, CSS, Sass, SQL(Postgres)

Frameworks

PROFESSIONAL EXPERIENCE

SABBATICAL, Vagabonding

Apr 2018 - Jan 2019

I travelled for 4 months, picked up Art again, increased my chess rating by 600 points, learned to trade Bitcoin and cryptocurrencies. Experimented with programming and Bitcoin, leading to a Python-based Bitcoin Programming Bootcamp. After two weeks decided I wanted to learn to Program properly, so pulled out (and signed up for Coder Academy)

SENIOR CONSULTANT, Procurement

THE SOURCE RECRUITMENT CONSULTANTS, MELBOURNE

Jun 2017 - Mar 2018

- Performed 360 degree recruitment of contingency and permanent procurement professionals for blue chip companies in Melbourne, from Jr Analyst up to Director level.
- Generated approximately \$124,000 revenue in placements in nine months
- Account management: Telstra, Spotless, AB Inbev (CUB), Jemena, Adidas, Retail Zoo

CONSULTANT, Engineering & Operations

SIX DEGREES EXECUTIVE, MELBOURNE

Feb 2017 - May 2017

Candidate Interviews and Business Development calls for Engineering & Operations team.

RECRUITMENT MANAGER, Procurement & Supply Chain

ICON PARTNERS K.K., TOKYO

2011 - 2016

- Founded the Supply Chain and Procurement desk. Proposed and led the transition from Professional Services to Supply Chain-only specialist recruitment firm of over 10 people.
- Grew Supply Chain from 6M to 80M JPY revenue over 2 years. Personally billed over 127M Japanese Yen over 5 years, including largest sale in company history (over 9M Yen).
- Hired and trained 6 consultants, two who were further promoted to Manager. Ran weekly one-on-ones, training sessions and company sales meetings 'Stand Up' sessions.
- Established and recorded best practises for sales, training and business development.

TEAM LEAD, Japanese Market Expansion Competition (JMEC)

2011

A six month 'mini MBA'. Led six people to write a business plan for a new market entrant

TEACHER, Japan Exchange & Teaching (JET) Program

KANAGAWA PREFECTURAL BOARD OF EDUCATION, TOKYO

2008 - 2011

One of 15 applicants out of 1500 selected for a program run jointly by the Australian and Japanese Governments.
